2. **Community Building** – Stronger relationships between Rivertrees and its staff are fostered through this partnership, enhancing your company culture and commitment to employee care.
3. **Enhanced Employer Branding** – Rivertrees has the opportunity to present this education benefit as a **fully company-funded initiative**, by covering the remaining tuition costs or offering additional subsidies. This can greatly strengthen your position as an employer of choice.
4. **Customizable Presentation** – The flexibility of the benefit allows Rivertrees to **frame it as an exclusive offer funded by the company**, even if employees are receiving a discounted rate through the partnership. This increases the perceived value without requiring full upfront sponsorship of the entire fee.
